Federal Justice Statistics Program Webinar

Event Dates: June 25, 2026, 1:00 pm – 2:30 pm Eastern

Event Duration: 1 hr and 30 minutes

Location: Online

Join us on Thursday, June 25, 2026, at 1 p.m. ET, as BJS statisticians present an in-depth introduction to the Federal Justice Statistics Program. In this webinar, you'll learn how to:

- Track federal cases from investigation through incarceration and community supervision
- Use the BJS Federal Criminal Case Processing Statistics tool for research
- Explore the innovative Dyad Link File methodology that connects data across agencies
- Apply federal justice data to topics like immigration enforcement
- Access resources, including published reports, data tools, and archived datasets.

Whether you're a researcher, policy analyst, criminal justice professional, student, or interested member of the public, this webinar will equip you with valuable tools to navigate federal justice statistics.
